BMO Financial Group (<https://www.bmo.com/main/about-bmo/>) opened BMO Tower, its new U.S. headquarters in Chicago. The 50-story building is located in Chicago's West Loop Gate neighborhood.

"BMO Tower represents a major investment by BMO in Chicago," David Casper, U.S. CEO for BMO Financial Group, said. "We're the largest bank in the world that has its U.S. headquarters in Chicago, a market in which we have a long, proud history of more than 160 years."

"Each year, more corporations are realizing the incredible potential of our city to launch and grow a successful business," Lori E. Lightfoot, mayor of Chicago, said. "BMO Tower will stand as a testament to our city's thriving corporate amenities and bustling downtown area. I'm deeply grateful for BMO's latest investment in Chicago and for their continued support of our communities."

More than 3,000 employees will be based at BMO Tower, which at more than 700 feet is the
